Tickets belong to the holder. A "Weekend Ticket" is a single coupon that cannot be divided. It is valid for the entire event (Friday, Saturday and Sunday) even if one or more days are not used. All grandstand seats are numbered during the entire event while general admission does not entitle to (numbered) seats. Children up to 11 years old have free general admission entrance. For the grandstands they have reduced fares according to the official list.

ACI members have a three-day ticket special fare on grandstands 21D and 23B. They also have reduced fares on the current official list on other grandstands and general admission tickets. To get information and purchase reduced tickets, ACI members need to apply to local approved Automobile Clubs or visit www.aci.it website. People with disabilities (and their companions) must visit www.monzanet.it website and enter the dedicated accreditation portal. Please buy your tickets only from official ticket retailers.

Prices may be subject to changes without prior notice. Prices are in Euro value, VAT tax included. Additional information and terms of purchase can be found on www.monzanet.it.
